

**EXHIBIT B – SUBCONTRACTOR/TEAMING PARTNER/KEY PERSONNEL INFORMATION AND CONSENT FORM**

**Note to Offerors: This form will only be used when providing subcontractor/key personnel information due to a lack of Offeror past performance or due to key personnel lack of prior performance information.**

Subcontractor and or Teaming Partner and or Key Personnel Consent for the Release of Past Performance Information to the Prime Contractor and Reference Information

Past performance information concerning subcontractors and teaming partners and/or key personnel cannot be disclosed to a private party without the subcontractor’s or teaming partner’s consent. Because a prime contractor is a private party, the Government will need that consent before disclosing subcontractor/teaming partner past and present performance information to the prime during exchanges. In an effort to assist the Government in assessing your past performance relevancy and confidence, we request that the following consent form be completed by the major subcontractors/teaming partners identified in your proposal. The completed consent forms should be submitted to the offering contractor for submission with the past performance volume.
